Hello Reuben,

I am sorry Tim will not be here in person. I have reserved our teleconference line: 866-299-3188, conference code: 9072711272. In case you are not familiar with our offices, we have reserved the EPA Raven Conference Room, which is on the 5th floor of the Federal Building. You will need to take the elevators closest to the 8th Avenue entrance of the building. Please come to the EPA reception area; the receptionist will let me know when you are here. I will escort you to the conference room.

If possible, I would like to add Clean Air Act Section 309 review to III. on the agenda.

Thank you. See you on Thursday.

Hello Jennifer,
I just got word from Tim that he will not be in Anchorage but will

teleconference in to the meeting. Do you have a number for him to call in at?

Also, I am attaching a draft meeting agenda to give you an idea of what we would like to discuss. Feel free to revise if you wish, either before hand or on the spot.
Thanks, Reuben
